Who We Are

ARCHway Institute is a private nonprofit established as a community of support for those struggling with substance use and co-existing mental health disorders.

Experience HOPE Gala: An evening to celebrate those who have recovered from addiction, those who help make recovery possible, and to offer hope to those still struggling.

WHAT WE DO

We believe people *can and do* recover from the disease of addiction if given the proper support.

Connect people who suffer with the disease of addiction to resources for recovery.

Offer **education and awareness** programs – 26 in 2019 alone.

Provide funds to **eliminate barriers** to recovery. In 2019 we awarded 57 treatment and/or recovery scholarships.

WHY IT MATTERS

“With financial support, education awareness activities and speakers who are spreading the word about recovery, ARCHway Institute is making a difference in the lives of men and women....and I mean the difference between life and death!”
