ABOUT ARCHWAY INSTITUTE

We Believe in Recovery!

OUR MISSION

ARCHway Institute serves the **community** by providing education to increase **awareness** and transform perspectives around substance use and co-occurring mental health disorders. As an organization, we advocate for long-term **recovery** by providing peer support and financial assistance to expand access to care and **healthy** solutions.

OUR SERVICES

EDUCATION

We educate communities about substance use and co-occurring mental health disorders in order to increase awareness, diminish stigma, and ultimately, help people heal.

PEER SUPPORT

We offer conversations to individuals and families who don't know where to turn. We provide emotional support, information, and advocacy regarding options for treatment, recovery housing, and other recovery resources.

FINANCIAL ASSISTANCE

We provide financial assistance in the form of grants and scholarships to increase access to treatment and recovery services that individuals need to reach long-term recovery.

PEER WORKFORCE DEVELOPMENT

ARCHway's newest division, The National Peer Recovery Alliance, works to grow and develop a more unified, empowered peer workforce to support individuals with substance use and co-occurring mental health disorders.
